

# ANTARA TANDON

## INTERMEDIATE PLANNER/DESIGNER

Antara is a Planner/Designer with an interest in sustainable community planning and urban design. She has experience working, researching, and developing innovative design solutions for local and international projects. Antara's strong design sensibilities with a social conscience help understand unique contexts and create responsive designs. She holds a degree in Master's in Urban Planning from Harvard University and a Bachelor's of Architecture from School of Planning and Architecture, New Delhi. Antara secured Third Place in the 2016 Affordable Housing Development Competition in Massachusetts where she was involved in the design and policy analysis. Antara is a trained dancer and loves to read, and travel in her spare time.

### EDUCATION

Harvard University Graduate School of Design, Cambridge, MA  
Master in Urban Planning

School of Planning and Architecture  
New Delhi, India  
Bachelor of Architecture

### AFFILIATIONS

American Planning Association

### EXPERIENCE

Raimi+Associates  
Berkeley, CA  
Intermediate Planner/ Designer,  
2017-present

Harvard University Graduate School of Design, Cambridge, MA  
Research Assistant

Community Design + Architecture  
Oakland, CA  
Planning Intern

Indian Institute of Technology  
Roorkee, india  
Research Assistant

Micro Home Solutions  
Delhi, india  
Intern

### KEY PROJECTS

- **Connect East Baltimore (Baltimore, MD)**  
*Designed a proposal to connect East Baltimore under the 'One Park' plan by redesigning the street networks as part of an urban design/ planning studio. Conducted data analysis studies and community outreach to create a redevelopment plan for three avenues through streetscape improvements and changes in land use and density.*
- **Tallinn Port Redevelopment (Tallinn, Estonia)**  
*Redesigned the old industrial port site in Tallinn for a seminar project and competition after conducting urban street network analyses to determine block sizes and street hierarchy. Proposed a new masterplan for the area with building typologies, transportation networks and phases for redevelopment.*
- **VTA Housing Assessment Study (Morgan Hill, CA)**  
*Conducted housing assessment studies for the city of Morgan Hill on vacant parcels close to the Caltrain station. Proposed scenarios for different FAR and parking requirements based on the existing and modified zoning code.*
- **Tahoe Ferry Oriented Development (Lake Tahoe, CA)**  
*Worked on a ferry oriented development plan for new ferry terminals in Tahoe City and South Lake Tahoe. Designed streetscape improvements along with new trails and bike paths as part of the ferry oriented development plan.*
- **Greenwood Plaza (Quincy, MA)**  
*Worked to create a transit oriented development plan for the station areas along the MBTA Red Line for a studio project in Quincy. Conducted community engagements with different stakeholders to develop a vision for the city in the forms of plans and an implementation strategy.*
- **Integrate Roxbury (Boston, MA)**  
*Conducted research and analysis in the neighborhood of Roxbury as part of a studio to help revitalize the neighborhood. Proposed an overlay district with increased density, mixed land uses, and green public spaces in the neighborhood.*
- **Quality of Life Assessment Study (Delhi, india)**  
*Conducted research in public housing communities in Delhi to establish a relationship between urban design and the quality of life. Conducted literature reviews and qualitative research through surveys, interviews and Jan Gehl's research methods.*
